

*On 19 May 2026, the CDR Accreditor imposed conditions on Solar Analytics' accreditation under subrule 5.10(1) of the CDR Rules, requiring further information security assurances and supporting information. The conditions support compliance with information security obligations and the integrity of the CDR.*

*On 22 September 2026, the CDR Accreditor removed the conditions imposed on 19 May 2026 from Solar Analytics' accreditation under subrule 5.10(1) of the CDR Rules.*
