On 30 June 2026, the CDR Accreditor imposed conditions on Basiq's accreditation under subrule 5.10(1) of the CDR Rules, requiring further information security assurances and supporting information. The conditions support compliance with information security obligations and the integrity of the CDR.

On 17 November 2026, the CDR Accreditor removed the conditions imposed on 30 June 2026 from Basiq's accreditation under subrule 5.10(1) of the CDR Rules.
